

REMARKS

This amendment, as required by 37 C.F.R. § 1.78(a)(5)(i), is to add a related cases paragraph reciting our claim to domestic priority of provisional application 60/302,060 filed on June 29, 2001, to the specification. This amendment is a correction of formal matters that are needed for proper protection of the invention and require no substantial amount of additional work on the part of the PTO. The issue fee has not yet been paid and is due by October 11, 2006.

Although this application was filed after November 29, 2000, no fee or petition is require to correct the specification (37 C.F.R. § 1.78(a)(5)(ii)(A)) because the provisional application priority data is properly identified in the Declaration/Power of Attorney as well as the published application 2003/0023214A1. However, if any fees are required by the filing of this paper, Applicant hereby authorizes the Commissioner to charge deposit account 10-0750 for any such amount.

Applicant respectfully requests that this Amendment be entered in this case.

Respectfully submitted,

By: /Joel A. Rothfus/
